Social Work Supervision in Edmonton: Supporting Provisional Social Workers

Are you a **provisional social worker** in need of professional supervision to meet your **clinical registration** or **psychosocial intervention** authorization? At **Clinical Supervisor Edmonton**, we offer expert **social work supervision** services to help you navigate your **provisional registration** and develop your skills in the field of clinical social work. Our supervision services are designed to meet the specific needs of **MSW students**, **new social workers**, and those seeking to complete their **clinical registry** in Alberta.

We offer a range of supervision services including **individual supervision**, **online supervision**, and specialized support for **psychosocial intervention**. Our supervisors are registered with the **Alberta College of Social Workers (ACSW)**, ensuring that you receive the highest quality support tailored to meet your professional development needs.
